

1) Sing Redemption

E
Sing Redemption
Sing sweet healing
A

Over me
Sing over me

E
Flood your Spirit
Lord have mercy
A

On me
A E
Have mercy on me

F#m Bsus
Cuz I'm breaking up
F#m Bsus

I'm in a rut
F#m
God please would you
A B E
Change this heart

Sing of springtime
Sing of streams
Overflowing
Come overflow me
Dead of winter
Sin has entered
Wash me clean
A F#m A

Wash me clean

E (tempo/rhythm change)

Pattern my footsteps into Your footprints
E A E
Patter Your raindrops on my parched tongue
E C#m E
After these pains and all of my regrets
E B A
Trumpet your call lead me on Oh!

E
Winds of fresh breeze
Stars fall flashing
A

All around me
A E

All around me
Comes a savior
Falling, catch me Lord
Please hold me oh!

(repeat 1st verse)

2) Sustainer

G

Sustainer

C

Provider

G C D

You're all we need

Oh healer

Recreator

Come change everything

Em

C

You're the one who gives me all the cash I've ever had

And blessed me with the friends who help me through

I have never been without food or clothes or place to live

But far more important is that I be with you

Em

Cuz I'm broken Lord and I don't trust

C

My sin returns me to the dust

D

Em

And I'm not getting anywhere without You

Em

And every day seems like a test

C

And I mess up, I try my best

D

But I need Your Spirit for guidance and strength

Am

Em

Redeem our lives

Am

Em

Sustain our eyes

Am

Em (or just C)

You are life

D

Teach us Your ways Messiah

Come Oh Savior

C#m

Come oh Savior

Asus

We are burdened here

Come redeemer

We are full of fears

Come yokefellow

Break the chains we're in

Come my brothers

Come let's call to Him

Come oh shepherd

We're so lost down here

Come comforter

Wipe away these tears

Come carpenter

Splint these broken bones

Come my sisters

Hang on for our hope

Come breath of God

We are dying here

Come doctor

Our wounded will not heal

Come way, truth, life

Lead, convict, sustain

Come oh sinners

Come, let's wash our hands

Come oh Savior

We need You right here

Save us from ourselves

Our sin and fears

Take these aching bones and hearts

and lead us to our heaven home

Come oh Savior

We are burdened here

4) I Will Wait

opE Asus opE
I will wait on You my King
I will wait on You my King
Bsus
For You are good
Asus
And You've always come through for me

I will wait on You my King
I will wait on You my King
Cuz You are stronger
And never let me go

opE Asus
So won't You lead me
opE Asus
Just give me the next step
C#m Bsus
Cuz Your breath is life
opE
And Your word is a light to my path
opE Asus
Oh won't You meet me
opE Asus
Just come and sit
C#m Bsus
On my porch and we'll sing
Asus
God teach me to listen

G#m F#m
So many voices crying out
So many thoughts inside my mind
So much noise is drowning out
Your voice in my life
So many paths that I could take
So many things that always change
Lord conform me to Your son
G#m Asus
And set me on Your ways

C#m Bsus Asus
Yes I will wait on You my King
I will wait on You my King
Come quickly
I'm still waiting

opE Asus (2x)

7)Blown Away

Capo 7

Asus Lord I'm here
C#m Here with You
Asus In Your presence
C#m I see You move
Bsus All I can muster
C#m All I can say
Bsus To touch this feeling--
Asus I'm blown away

C#m You play with my hair
Asus With a brisk morning breeze
C#m The Sunset's red color
Asus Is like a kiss on my cheek
Bsus And what can I say
Asus I'm blown away

E* You whisper softly
E/F# In pine trees and falls
E You speak quite loudly
E/F# In Word and birdsong
Bsus And what can I say?
Asus I'm blown away

OpE Dust on the breeze
E/G# You carry me
Dust on the breeze
You carry me

*This section could also be played using the chords of the verse before it

--The final section is impossible to play on many guitars.

E/F#: drop A string open and move over to E
